## Synopsis :

Review "I absolutely believe that Cabrera's book is the ultimate in the fine details of men's tailoring. . . I like the proposed revision. I absolutely believe focusing on the fine techniques and making them easier to understand rather than simplifying the whole process is a much better approach. . . I believe the proposed increase in photos that clarify the process will fill in the gaps. Not everything can be clearly understood by words alone and the photos help a lot." —Heather Milam, University of Alabama, USA Read more About the Author Roberto Cabrera was an instructor at the Fashion Institute of Technology in New York City, USA. Denis Antoine is a leading practitioner and educator in the field of men's tailoring, currently teaching menswear design and construction at the Savannah College of Art and Design, USA. Following degrees in menswear from the London College of Fashion and the Royal College of Art, he established his eponymous bespoke tailoring business. Read more
