Synopsis :

Review Og Mandino This great book can be your key to success and happiness if you will only follow its powerful principles. Harvey Mackay Looking for a book with the power to jump-start your life? Look no further. Brian Tracy's Maximum Achievement is a wake-up call to the wonders within us all. It is straight to the point and straight to the heart. Denis Waitley Brian Tracy is a master of self-management skills development. In this treasure chest, he gives us an encyclopedia of inner wealth more knowledge-based, action-oriented, and relevant to today's global achiever than any other source you can tap. More than a self-help book, this is an owner's manual for high-performance winners. Read more About the Author Brian Tracy is Chairman and CEO of Brian Tracy International, a company specializing in the training and development of individuals and organizations. He is the top selling author of over forty-five books that have been translated into dozens of languages. Brian is happily married and has four children. He is active in community and national affairs, and is the President of three companies headquartered in Solana Beach, California. Read more See all Editorial Reviews
